Date Introduced: June 29, 2005
Date of July 29, 2005
Summary:

The bills amend Michigan's business organization laws, the Business Corporation Act, the Michigan , Limited Liability Company Act, the Nonprofit Corporation Act, and the Michigan Revised Uniform Limited Partnership Act.

The bills require the Department of Labor & Economic Growth to establish a procedure by February 1, 2006 for electronic transmission of documents. Beginning February 1, 2006 documents may be filed electronically. Senate Bill 665 contains permissive language permitting the department to establish a procedure for submitting documents by facsimile. This provision already exists in the other three acts.
